## Editorial Team

---

Dr. Radhika Kotecha, Head of Department

Dr. Vaishali Gaikwad, Assistant Professor

Mr. Maharsh Patel, Student - 4th Year

Ms. Aastha Shukla, Student - 4th Year

## Vision of Department

- To educate the students in the technically challenging world of information and computing so as to make them future leaders for industry, academia, government and society.

## Mission of the Department

- To groom competent engineers ready to face the challenges of the dynamic IT industry.
- To enable students to analyze problem areas in different field and accordingly design and implement novel IT solutions.
- To instill professional ethics and social awareness in the students.

## Program Educational Objectives (PEOs)

- To provide students with the technical knowledge to build a life long career in IT domain.
- To develop culture to motivate students in the field of Research, Technology and Management.
- To impart professional, social and ethical values which enable them to work effectively in a multidisciplinary environment.

## Program Specific Outcomes (PSOs)

The graduates of this program will be able to:

- Develop various applications using open-source software.
- Analyze and implement Web based technology and create IT infrastructure.

# Faculty Development

- Department of Information Technology of K. J. Somaiya Institute of Engineering & Information Technology is organizing Two days workshop on “VLab Development” for faculty from July 04, 2017 to July 05, 2017 in association with Cyber Security & Research Cell. Prof. Vaishali Gaikwad organized and conducted the event.

# Faculty Development

# Student's Development

- Prof. Vijaya Pinjarkar organized expert talk on “Preparation strategies for public sector” on July 15, 2017 from 1.00pm to 3.00pm for BE Students.

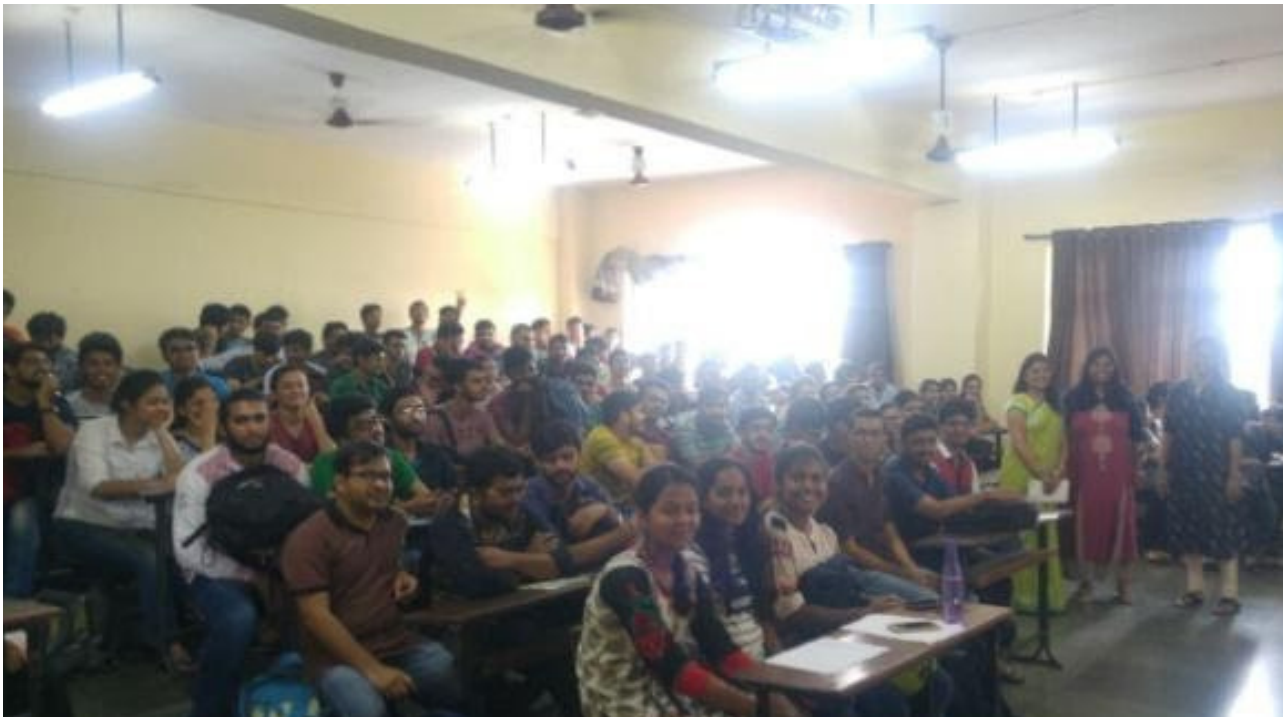

# Student's Development

- Prof. Vaishali Gaikwad arranged expert talk on “Digital Forensics” on July 21, 2017 from 11:00am to 01:00pm in association with Cyber Security & Research Cell.

Expert talk on  
“Digital Forensics”

# Student's Development

# Student's Development

- Prof. Vaishali Gaikwad arranged expert talk on “Augmented Reality” on August 01, 2017 from 11:00am to 01:00 pm in association with Internet of Things Cell & Institution of Engineering & Technology.

# Student's Development

- Prof. Vaishali Gaikwad arranged awareness session on “One Day Drive & NICE Competition” for students on August 09, 2017 from 11:10am to 01:10pm.

# Student's Development

- Prof. Nasim Shah organized expert talk on “Exposure to Remote Sensing” for students of department of Information Technology & Computer Engineering on August 11, 2017 from 11:10am to 01:10pm.

# Student's Development

- Prof. Nasim Shah organized guest lecture on "Carrier in IT-What Next?" for TE[IT] students on August 22, 2017 from 01:40pm to 02:40pm.

# Student's Development

- Prof. Vaishali Gaikwad arranged expert talk on 'Ransomware and crypto currency' on September 18, 2017 from 01:40pm to 03:40pm in association with Cyber Security & Research Cell for class SE & TE.

## Expert talk on 'Ransomware And Crypto Currency'

# Faculty Achievements

- Prof. Vaishali Gaikwad has awarded as "Best Promising Teacher for Student Engagements in Technical & Innovative Activities" by the professional body, The Institution of Engineering and Technology(IET) on September 23, 2017.

"Best Promising Teacher for Student Engagements in Technical & Innovative Activities"

# Faculty Achievements

- Prof. Vaishali Gaikwad is posted as the Chairman of Young Professional IET, Mumbai LN year 2017-18.

# Faculty Achievements

- Prof. Vaishali Gaikwad is awarded as Champion of “IET On Campus: 2017-18”.

# Faculty Achievements

- Prof. Vaishali Gaikwad receive appreciation for conducting the NICE competition 2k17 conducted in association with The Institution of Engineering & Information Technology, Mumbai LN on September 02, 2017.

Appreciation for conducting NICE competition

# Faculty Achievements

- Prof. Vaishali working as “Reviewer” for
  - 1.FICTA-2017: The Sixth Edition of FICTA (2017 International Conference on Frontiers of Intelligent Computing: Theory and Applications—FICTA-2017) being organized by KIIT University, Bhubaneswar; a world class university in the temple city of Odisha during October 14 , 2017 to October 15, 2017
  - 2.International Conference on “Smart City & Emerging Technology(ICSCET) on January 5, 2018
- Prof. Vaishali Gaikwad received Associate Membership from National Cyber Safety and Security Standards.

# Student Achievements

- Vishal Sing, BE[IT] receiving “Best Student Coordinator” award by the professional body, The Institution of Engineering and Technology(IET) on September 23, 2017.

# Student Achievements

- Rohit Bokade, SE[IT] receiving “Best Student Volunteer” award by the professional body, The Institution of Engineering and Technology(IET) on September 23, 2017.

# Student Achievements

- Students of Information Technology Department won the NICE competition 2k17 conducted in association with The Institution of Engineering & Information Technology, Mumbai LN on September 02, 2017.
