# Somaiya Vidyavihar Vision

Our Founder, Padma Bhushan Shri. K. J. Somaiya founded Somaiya Vidyavihar on the 9th of September 1959. He later founded the Girivanvasi Pragati Mandal, The K. J. Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, the intellect expanded, and by which one can stand on one's own feet." We have now grown into a multi-disciplinary and multi-campus education institution with over 1500 faculty, and 38,000 students.

**Our motto is:** ज्ञानादेव तु कैवल्यम् । Knowledge alone liberates. Liberates from poverty, from hunger. Also to liberate one from the attachments that bind us to small-mindedness. Knowledge also provides opportunity. To make the life lived more meaningful. In the service of one's family, one's community, one's समाज, country, and indeed the world. Bearing in mind that there is no religion other than the life lived in the service of humanity, न मानुषात् परो धर्मः । We will strive to provide access and opportunity to build a more inclusive society.

Our education in any subject will reflect its timeless fundamentals, its current context, and applications. There is so much scientific discovery taking place, at the intersection of fields, of biology, computing, medicine, the social sciences and everywhere else. We will provide students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge.

Our education will also be experiential. With projects that are 'real' and those that complement the learning inside the classroom. Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of their passion.

Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork, for competition. Our education will also instill an appreciation for art and culture.

In the Bhagavad Gita, Arjun asks Krishna how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. वैराग्येण तु कौन्तेय अभ्यासेन च गृह्यते । We will strive to teach our students to learn to stay calm in our turbulent world.

And our education will also include the ancient Indian tradition, its culture, its depth, and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are storehouses of culture, and the loss of a language takes with it much learning, stored through it over the ages.

Finally, our education will help students lead a full life, to fall in love with life.

Our dream, is to build a world class research and teaching institution, that is global in the reach of its ideas, and universal in its service. Welcome to our community.

*Vision*  
*Mission*  
*Quality Policy*  
*Objectives of the Institute*

### Vision

To emerge as a synonym of quality, excellence, and commitment in the field of engineering education by unlocking potential, nurturing talent and transforming young minds to create future-ready engineers.

### Mission

- To provide students with a thorough knowledge of engineering to refine their professional skills.
- To nurture creativity and innovation while encouraging multidisciplinary interaction.
- To train students to be industry ready and capable of working effectively as an individual and in teams.
- To inculcate ethical behaviour, responsibility, and commitment among students.

### Quality Policy

- To conform to the requirements of regulatory authorities viz; All India Council for Technical Education (AICTE), Directorate of Technical Education (DTE) and UoM.
- To maintain transparency and fair practices in admission and recruitment processes.
- To ensure continuous evaluation and examination process.
- To ensure best academic ambience by providing high-end equipments in the laboratories, computers, learning resources and smart classrooms.
- To ensure a safe and secure environment for all stakeholders.
- To promote industry Institute interaction, research and development, placements, technical, co-curricular and extracurricular activities.

### Objectives of the Institute

- To focus on persistent improvement in processes related to teaching, learning, and evaluation and to promote a culture of research and development among staff and students.
- To develop technical and interpersonal skills so that the students translate knowledge into action contributing to the benefit of the society.
- To enhance the learning experience of students by honing versatility through diverse activities.

## DEPARTMENT OF BASIC SCIENCES & HUMANITIES

### Basic Science & Humanities

#### Vision

Department of Basic Sciences & Humanities tries to inculcate the knowledge of dynamic combination of science, technology and humanities by nurturing the basic technical skill-sets and honing professional decorum

#### Mission

- To promote ethical values and social responsibility through novel learning techniques in basic sciences and humanities.
- To improve logical thinking of students for knowing scientific truth, solving problems, and making good decisions.
- To develop ethical sensibilities through value based education

## A FOREWORD BY DR. HARSHA MISHRA –HEAD OF BS&H DEPARTMENT

The Department of Basic Sciences & Humanities (BS) of KJ Somaiya Institute of Technology, with the Board of Studies Members, as a freshly conferred ‘Autonomous’ Institute are committed for the all-inclusive careerist goals of at the First-Year students. The autonomous status has accorded the BS department the academic freedom to float its own syllabus and customize it as per the cutting-edge global technical trends. With credit-based scheme, we embark on a fresher vision to be competent with prime focus on ‘employment-centric’ syllabus with dynamic reformations in the syllabus. The core engineering undergraduate branches encompass—***Computer Technology (CE), Information Technology (IT), Artificial Intelligence and Data Science (AI-DS) & Electronics and Telecommunication (ET).***

The major shift in the First-Year syllabus has been set on the quality benchmark—a solid foundation on the core fundamentals—the pre-requisite engineering holistic skills viz. the Applied Math, Sciences and Humanities curriculum with multiple prospects as per the industry requirements.

## BS&H SIGNIFICANT ACHIEVEMENTS

### *“Proud Indian Going Global” Organized on 2<sup>nd</sup> January, 2023*

K J Somaiya Institute of Technology's (KJSIT) Department of Basic Sciences & Humanities (BS&H) organized an event on ***“Proud Indian Going Global” on 2<sup>nd</sup> January (Monday), 2023*** at 11.10 am in auditorium. Mr. ***Yogendra Puranik***, Indian born Japanese Politician, Member of Edogawa City Council, Tokyo, Japan was the resource speaker for the event. The event was graced by Dr. Suresh Ukarande—Principal, and Dr. Sunita Patil, Vice Principal, KJSIEIT in addition to the Dr. Harsha Mishra—HoD of BS&H dept. faculties, staff and students.

***Participants:*** 300

***Mode:*** Offline

***Time:*** 11.10 AM – 1.10 PM

#### ***Objectives:***

- To inspire students in pursuing overseas education
- To counsel students regarding the pros and cons of moving abroad.
- To mentor students in upskilling themselves

#### ***Key Points:***

***Mr. Yogendra Puranik***, an Indian born Japanese politician and the first person of Indian origin to win election in Japan vivaciously commenced his session by acknowledging his great ‘Indian roots’ as a major contributory parameter for his global status. Mr Puranik fondly narrated his student life in India, where he would put extra hours after college and on weekends to develop diverse skillsets like nurturing proficiency in foreign languages and technical skills. He encouraged and guided first year students in optimally utilizing their time in amplifying their competencies in languages, finance, soft and hard skills. He ushered in the concept of five pockets of success, viz, Management, Sales, IT, Law and Finance, wherein, one has to master basics in all five areas for guaranteed prosperity in life.

A Q&A round followed the session, wherein students addressed their queries regarding moving abroad. The session ended with a vote of thanks.

#### ***Outcomes:***

- Students gained vital knowledge and stimulus in fulfilling visions of immigrating abroad
- Students were motivated in being proactive in developing their skill sets

***‘Proud Indian Going Global’ Organized on 2<sup>nd</sup> January, 2023. Mr Yogendra Puranik, Edogawa City Assembly Councillor, Tokyo, Japan was the resource speaker for the event***

***F.Y. B. Tech. Induction on “CodeChef Campus Chapter-Infinite Loop-A Voyage in Programming” Organized on 7<sup>th</sup> January, 2023***

K J Somaiya Institute Technology’s (KJSIEIT) Department of Basic Sciences & Humanities organized the First Year Induction Program on ***“CodeChef Campus Chapter-Infinite Loop-A Voyage in Programming”***. ***Dr. Umesh Shinde*** –Coordinator, CodeChef Chapter, KJSIEIT (Dean, Research & Development Cell) was the Resource Speaker for the session. The Infinite Loop student team— Ms. Divija Kinger, Master Shivam Thakkar, Master Utkarsh Tiwari and Master Amey Noolkar (Alumnus), founder member, Master Vedant Kokate (Alumnus), ex head were also the co-presenters for the session.

***Participants:*** 160

***Mode:*** Zoom

***Objectives:***

- To pique curiosity and chronicle perks of learning different programming languages.
- To pave way and yield opportunities in moulding the future Software Architects

***Key Points:***

***Dr. Umesh Shinde*** & the Infinite Loop student team presented a succinct information on the diversified facets of the committee. The students were guided through the various vital endeavours of Infinite Loop. The students were enriched to know about the major achievements of the club—the milestones attained; the events held by Infinite Loop in the past years. The student team proactively interacted with the students on several paradigms – competitive programming, coding languages, importance of networking, aiming at leadership and many more.

***Outcomes:***

- The students grasped the paramount role of Infinite Loop in making of a software architect
- The event led to an increased awareness on the Infinite Loop as a crucial committee for instilling software engineering skills amongst emerging Engineers

There was a question-and-answer session followed by the feedback formality.

***Parent Teacher Meet on 12<sup>th</sup> January, 2023 Organized by BS&H Department***

K J Somaiya Institute of Technology's (KJSIT)- Department of Basic Sciences and Humanities (BS&H) organized its first Parent-Teacher Meet (PTM) on **12<sup>th</sup> January (Thursday), 2023 at 2.30 PM- 4.00 PM**. The BS&H Head, **Dr. Harsha Mishra** conducted an interactive session to discuss the academic and allied topics with regards to the first-year academic session.

**Participants:** 140 parents/guardians of the first-year students.

**Venue:** Auditorium & Classrooms

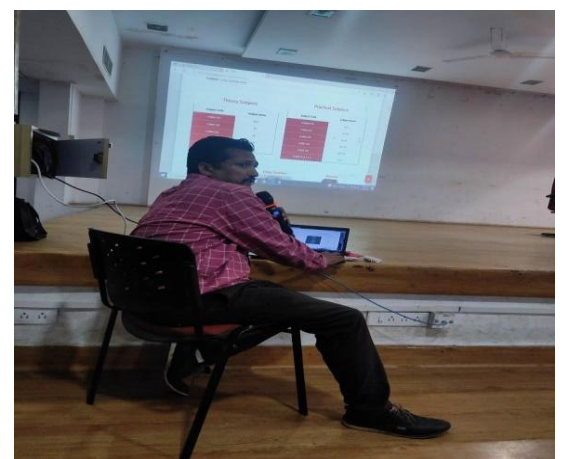

**Objectives:**

- To apprise parents about the crucial aspects of academics & cocurricular to the parents & guardians of the first-year students.
- To provide a brief review with regards to one-to-one interaction with mentor-mentee with a detailed discussion related to academic progress, attendance of their wards.

**POINTS DISCUSSED BY DR. HARSHA MISHRA**

1. An overview of academic gradation / assessment criteria as per the 'autonomous' rules.
2. First Year, Semester I Timeline: Including the second term test, exam conduction, submission, last instructional day etc
3. Demonstration and queries related to the 'Students Information Management System' (SIMS) software were resolved by Prof. Harsh Bhor (Faculty, IT Department)
4. The proctors addressed the query session and apprised the parents of the attendance & academic record of the wards.

***F Y. B Tech. Induction: "Somaiya Sports Avenues—Bring out the Champ in You" on 14<sup>th</sup> January, 2023***

K J Somaiya Information Technology's (KJSIT) The Department of Basic Sciences & Humanities (BS&H) organized the F.Y. B. Tech Induction on ***"Somaiya Sports Avenues—Bring out the Champ in You"*** on **14<sup>th</sup> January, 2023** from 11.00 AM – 12.00 PM. The invited resource speaker for the session was ***Mr. Sushilkumar Gupta***—Sports Management Executive, Somaiya Vidyavihar University.

***Mode;*** MS Teams (Online)

***Participants:*** 150 F.Y. B. Tech Students

***Objectives:***

- To apprise students on the sports facilities available at SVV
- To increase awareness on the benefits of holistic development via sports activities.

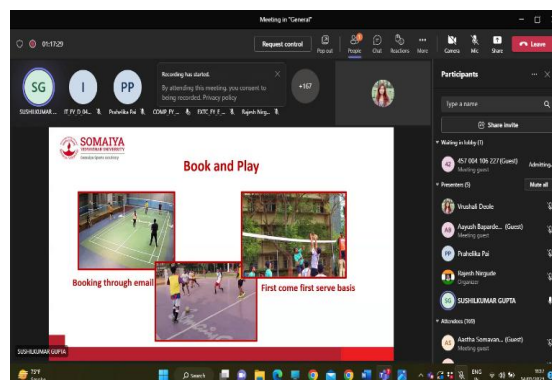

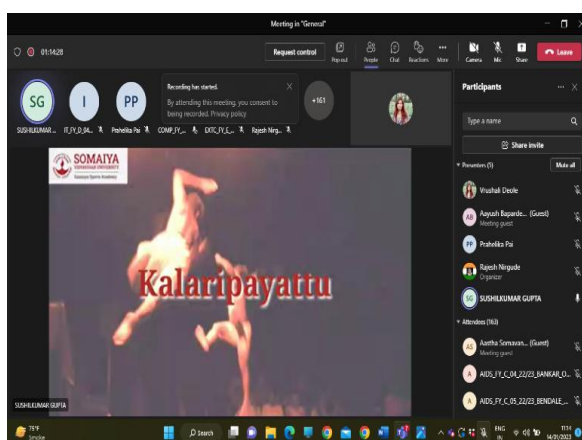

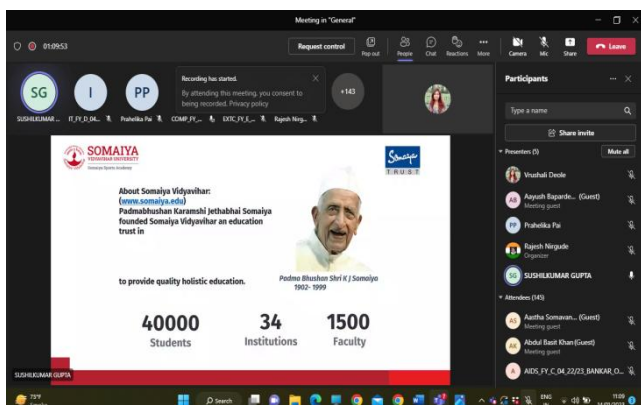

***Key Points:*** ***Mr. Sushilkumar Gupta*** presented a brief overview of the diversified sports facilities available at the Somaiya Vidyavihar (SVV) & Somaiya Ayurvihar campuses. The presentation was based on the exclusive sports amenities that are made available for the staff and students of the Somaiya fraternity.

The SVV as an established brand has 34 Institutions & 40000 students, 15000 faculties on campus who have been aware of the different sports facilities. The resource speaker acknowledged the internationally acclaimed Alumni who have glorified the SVV as a sport-promoting Institute. He also emphasized on the crucial role of sports for developing one's personality. 'Eklavya'—the developing sports annexe with a professional swimming pool will be the USP of SVV. The speaker also specified the upcoming sports amenities at the Somaiya Ayurvihar Campus. Mr. Sushilkumar Gupta clarified the queries and sought suggestions for the enhancement of sports career by answering the same in a positive manner session followed by a 'thank you' note by Dr. Vrushali Deole. The participants completed the feedback formalities of the session.

***Outcomes:***

- The students gained a succinct overview on the amenities and courses and its significance offered at Somaiya Sports Academy at the at Somaiya Vidyavihar & Ayurvihar campus.
- The event resulted in an enriched understanding on the significant role of sports or gaining a healthy personality.

## ***F Y. B Tech. Induction: "Flip the Flicker (IETE x Code AI)" organized on 21<sup>st</sup> January, 2023***

K J Somaiya Institute of Technology's (KJSIT) Department of Basic Sciences & Humanities organized the First Year Induction Program on ***"Flip the Flicker (IETE x CodeAI)"*** on ***21<sup>st</sup> January, 2023 at 12.00 Noon***. The student coordinators ***Master Krish Doshi, Master Sahil Deshmukh, Miss Riddhi Bhogaonkar, Miss Netra Shukla, Master Akshat Gandhi*** were resource speakers for the event.

***Participants:*** 120

***Mode:*** Online

***Timings:*** 12.00 – 1.00 PM

### ***Objectives:***

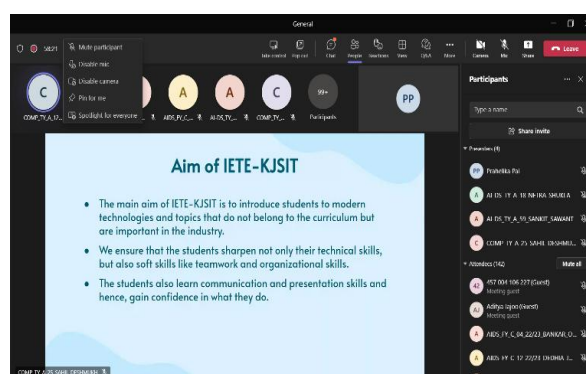

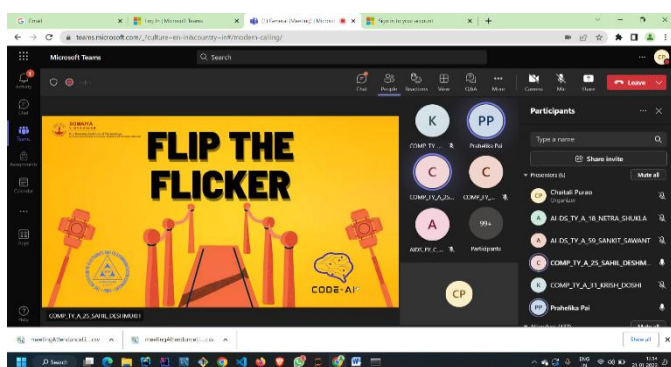

- To make students aware about IETE and CodeAI membership
- To make students aware about benefits of the IETE and CodeAI students forum
- To brief the students about the events organized by IETE and CodeAI

### ***Key Points:***

***Master Sahil Deshmukh*** and team members provided succinct information on the IETE and Code AI student forum. In addition, guidance on the events and workshop organized, were discussed. The technical fests conducted were also discussed. The online events conducted were also explained.

### ***Outcomes:***

Students gained a brief exposure of IETE and CodeAI students' forum.  
Students understood the benefit of taking membership in IETE and CodeAI.

K J Somaiya Institute of Technology's (KJSIT) Department of Basic Sciences & Humanities (BS&H) organized an event on ***“Trick the Tyros” by American Chemical Society (ACS) on 4<sup>th</sup> February, 2023*** at 12. 00 Noon. ***Master Jash Joshi, Master Sharvesh Halbe, Miss Mahiya Ansari, Master Satyam Bhagywant, Miss Sampada Khanzode, Miss Yashvi Joshi Student Coordinators, & Team*** were the presenters for the event. The session was organized under the guidance of ***Convenors Dr. Namrata Ansari (Dean-Academics) & Dr. Shaheen Pathan (Faculty-BS&H).***

***Participants:*** F.Y. B. Tech & S.Y. B.Tech Students

***Mode:*** Google Meet

***Time:*** 12.00 PM – 1.00 PM

***Objectives:***

- To augment understanding about the transdisciplinary feature of Chemistry as a vital subject in technical fields
- To emphasise on the crucial paradigms of working with the American Chemical Society (ACS) committee with the fun-learning techniques

***Key Points:*** ***Master Jash Joshi*** and ***Miss Mahiya Ansari*** provided a detailed overview of the vital role of ACS & its interdisciplinary features with engaging activities. They highlighted the pivotal role of Chemistry that is beyond the ambit of the scientific community and is taken up as an area of research in technical fields. They presented the properties, the recent trends in the domain. This was followed by an interactive game session held via mentimeter software hosted by ***Master Sharvesh Halbe.***

The event was taken over by the ACS student-team who provided a brief overview of the functioning and roles of ACS as a global organization.

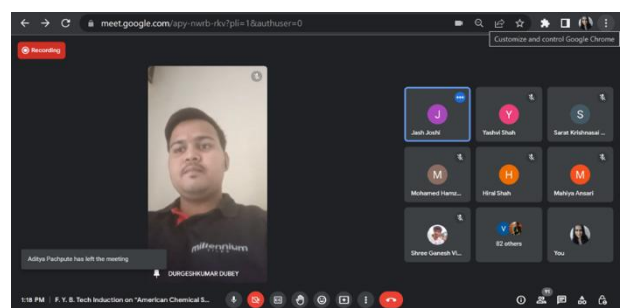

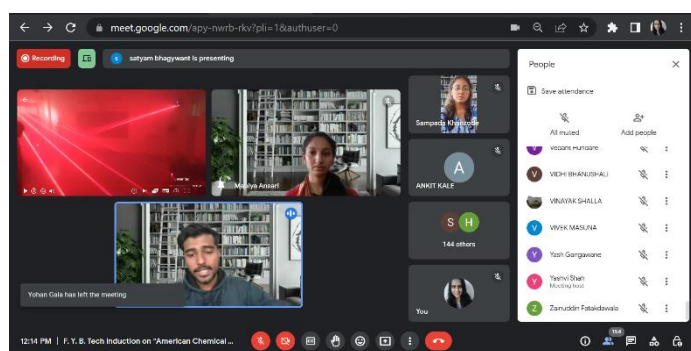

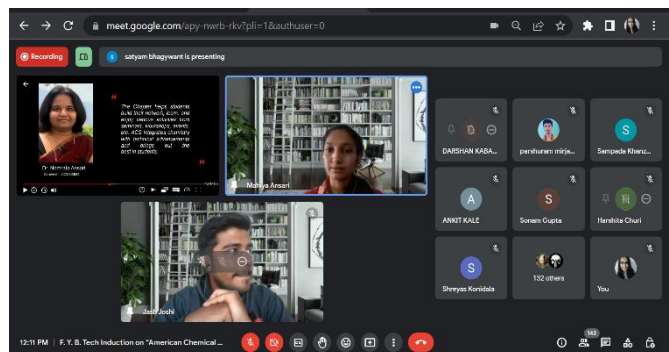

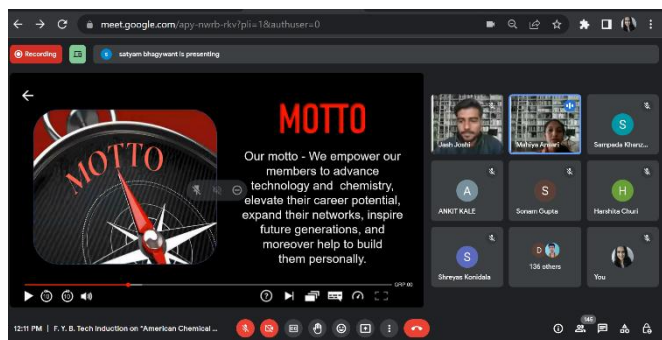

***Outcomes:***

- The Induction session provided a definitive guideline on the crucial component of ACS as a tool for modern engineers
- The futuristic scope of ACS with activities turned out to be motivational one.

There was a question-and-answer session followed by a ‘thank you’ note by Prof Prahelika Pai. The participants completed the feedback formalities of the session.

***Participants:*** F.Y. B. Tech

***No. of participants:*** 50

***Mode:*** Offline

***Venue:*** Auditorium

***Time:*** 4.00 PM – 5.00 PM

***Objectives:***

- To augment understanding about the trans disciplinary feature of Chemistry as a vital subject in technical fields
- To provide accurate and valuable information to participants about crucial paradigms of working with the American Chemical Society (ACS).
- To engage participants and cultivate curiosity, to elucidate details about the committee

***Key Points:***

***Master Jash Joshi, Miss Yashvi Shah and Master Anshul Manapure*** provided a comprehensive outline of the indispensable role of ACS & its interdisciplinary features. They highlighted the significant role of Chemistry that is beyond the purview of the scientific community and is taken up as an area of research in technical fields. Dr. Vrushali Deole—Dean, Alumni Relations and Faculty in BS&H Dept was the resource person for the event. The event was organized under the able guidance of Dr. Radhika Kotecha, Head - Dept. of Information Technology & Convener – IIC, Dr. Sunita Patil-Vice-Principal & Dr. Suresh Ukarande, Principal and President – IIC.

***Participants:*** S.Y. B. Tech Students

***Venue:*** CR 1(201)

***Time:*** 11.30 AM – 12.30 PM

***Objectives:***

- To spark the entrepreneurial spirit in the budding innovators by guiding them on how to convert their innovative ideas and emerge as successful Entrepreneurs.
- The Significance of becoming an entrepreneur with skills such as decision making, requirement of the right skill set, attitude, and behaviour.

***Key Points:*** Dr. Vrushali’s presentation encompassed the salient qualities of renowned entrepreneurs viz—Steve Jobs, Oprah Winfrey, Shri. Ratan Tata etc with prime focus on the entrepreneurial qualities—passion, work ethic, integrity, discipline for successful business ventures. She provided a detailed overview of the crucial parameters—ability to serve the society, focusing on innovative technologies such as greener ones to achieve commercial gains and sustainable growth of the nation.

The global traits of world’s iconic entrepreneurs—Jack Ma, Jeff Bezos, Bill Gates etc , the presenter accentuated on the progressive mission of the global brands that thrive on strong ethical cultures and driven passion to achieve focused goals.

***Outcomes:***

- Entrepreneurial skills-set stimulation with an enriched knowledge on business opportunities, networking, taking initiative, convincing others, and making intuitive decisions.
- Development of strategic thinking and scenario planning skills, as well as the ability to make intuitive decisions based on basis entrepreneurial awareness.

There was a question-and-answer session followed by a ‘thank you’ note by the presenter.
