

Institute Honors

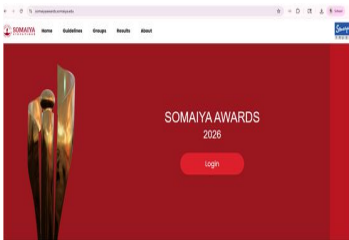

Mr. Harsh Shingvi, Last Year, Computer Engineering received Smt. Sakarben K. J. Somaiya **award for Somaiya Star Citizen on 84th Somaiya** Foundation Day held on December 1, 2025 at Somaiya Vidyavihar with prize amount Rs. 10,000.

Ms. Surabhi Khatale , Third Year, Computer Engineering, KJSIT, Sion received the **IET Mumbai Local Network Student Champion of the Year Award** at the **IET AGM Awards 2025** for her outstanding contribution to organizing technical activities and promoting the professional development of students and faculty.

Mr. Raj More, Third Year, Computer Engineering developed a **Salary Slip Generator, a Python-based payroll automation tool** that generates employee salary slips in PDF format from Excel or CSV payroll data, showcasing practical application of software development and automation skills.

A team of Computer Engineering students—Mr. Raj More, Mr. Aryan Mandke, and Mr. Pranav Lohar, successfully developed and implemented **Somaiya Award Management System (Version 3)**, an automated platform that streamlines the annual award management process for the Somaiya Trust.

Ms. Disha Sakaria, Ms. Khushi Rathod, and Ms. Samidha Pawaskar, Second-Year, Computer Engineering students **emerged as winners in the Visionari AI Start-up Innovation Competition**, received a **cash prize of Rs. 20,000** for their innovative AI-based solution.

Mr. Jinay Modi, Mr. Krishiv Patel, Mr. Sagar Chotaliya, and Mr. Sarthak Todmal Third-Year, Computer Engineering students received the **Shri K. J. Somaiya Award – Outstanding Navriti Innovator (Higher and Technical Education)** for their AI-based project, **DrumVision: Virtual Drums for Training and Beat Generation**, at the **84th Somaiya Foundation Day** held on December 1, 2025.

Mr. Swayam Rangoonwala, Mr. Dhroov Patel, Mr. Nishit Rajput, and Mr. Jash Sanghvi (Team **Brogrammers**) Third-Year, Computer Engineering students secured **First Prize at KnowBuild '25**, an 8-hour institute-level hackathon organized by the Department of AI-DS, KJSIT, for their innovative solution aligned with the theme **“STARTUP – Think Fast. Build Bold. Create Impact.”**

Institute Honors

Mr. Tushar Surti, Mr. Neel Shah, and Mr. Kanav Trivedi Third Year Computer Engineering students secured **Second Prize** at **TECHSPARKS 2026**, an intercollegiate project competition organized by **Fr. C. Rodrigues Institute of Technology**, held on **15 April 2026**.

Mr. Advait Suhruti Rabde, a Last Year, Computer Engineering Department, achieved an outstanding **GRE score of 329 out of 340** on **5 November 2025**, reflecting exceptional academic aptitude and global higher education readiness.

Mr. Neel Abhay Shah, a Last Year, Computer Engineering, secured an **All India Rank (AIR) of 256** with an outstanding **99.8 percentile** in **GATE 2026**, announced on **19 March 2026**.

Ms. Surabhi Khaitale and Ms. Bhawana Suthari, Third-Year, Computer Engineering students, were part of the **winning Girls' Throwball team** at **Intra Score 2025**, the annual sports festival organized by KJSIT, Sion.

Mr. Tushar Surti, Mr. Neel Shah, and Mr. Kanav Trivedi, Third Year, Computer Engineering students, secured **Third Prize** at **TANTRAGYAN**, a **National-Level Project Competition**, for their innovative project and technical excellence.

Ms. Mahi Deepak Shah, Ms. Ayesha Shaikh, and Ms. Mahek Raigagla Third Year Computer Engineering students, secured **Second Prize** in the **AI/ML and Data Analytics Track** at the **National-Level Project Competition** held at **Vidyalankar Institute of Technology**, for their innovative project and technical excellence.

Mr. Jay Dhandhukia, Mr. Aayush Hanumante, and Mr. Utkarsh Gupta Second Year, Year Computer Engineering students secured **First Prize** in the **Mini Project** category at the **Technogenesis 2K25 Poster Competition**, organized by the **IET Students' Chapter** and the Computer Engineering Department, KJSIT, for their project **"BIOHarvest: Smart City Collection System"**.

Institute Honors

Mr. Mrudul Rambhia, Mr. Jash Sanghvi, and Mr. Aditya Srivastava, Third Year, Computer Engineering students, secured **Second Prize** in **Box Cricket** at **Intra Score 2025**, the annual sports festival organized by **KJSIT**.

Kartik Verma, Shreeya Sati, Bhavana Suthar and Kushal Soni, Third Year, Computer Engineering student's project is selected in **Creative Ideas & Innovations in Action (CIIA)** at Nehru Science Center to explore innovative technologies and research-driven solutions.

Ms. Divya Ghanekar a Last Year, Computer Engineering student, received the **Baroda Achievement Award for Academic Excellence** in recognition of her outstanding academic performance

Mr. Dhruv Atul Karani, Mr. Amogh Shankar Iyer, Mr. Nikunj Hemant Maru, and Mr. Devesh Anil Kichak, Third Year, Computer Engineering students secured a place among the **Top 10 teams** in **INCUVERSE 1.0**, an innovation and entrepreneurship competition organized by "riidl Somaiya Vidyavihar University.

Mr. Kartik Rajbir Verma, a Third-Year Computer Engineering student, was selected to represent the **Mumbai University Squash Team** at the **AIU Inter-University Championship** hosted by **Somaiya Vidyavihar**.

Khushi Chandak, Titiksha Bhavsar, Shravya Azmani, and Janhavi Jadhav TY Computer Engineering students secured:

- 1) **2nd Runner-Up** with a **cash prize of ₹10,000** at the **KODE: IET Hackathon Finale (24 Hours)**, organized by the Institution of Engineering and Technology (IET) in association with **Atlas SkillTech University**, held on 18–19 April 2026.
- 2) **Runner-Up** with a **cash prize of ₹6,000** at the **IET KJSIT Hackathon (8 Hours)**, organized by the IET in association with the KJSIT Computer Engineering Department, held on 8 April 2026.
