May- August 2025

- **Departmental Activities:**

- The Department of Information Technology has organized a session on "Marketing Research: A Deep Dive into Emerging Trends and Consumer Preferences" in coordination with Archana Kshirsagar and Trupti Patil.

- The Department of Information Technology has organized and conducted a Placement Preparation Program for LY IT students from July 1-31, 2025 in coordination with Dr. Radhika Kotecha, Ms. Sarita Rathod and Dr. Vijaya Pinjarkar.
- The Department of Information Technology, in association with the Research and Development Cell, organized an industrial visit to the India Meteorological Department (IMD), Regional Meteorological Centre, Mumbai. Dr. Radhika Kotecha and Ms. Priyanka Deshmukh accompanied the students during the visit, which aimed to explore collaborative opportunities between KJSIT and IMD for automation and research-driven projects.

- **Activities and Achievements of Faculty:**

- Dr. Radhika Kotecha organized an industrial visit to the Western Region Load Dispatch Centre (WRLDC), Andheri, Mumbai. The purpose of the visit was to investigate potential areas of cooperation between WRLDC and KJSIT for the development of automation and research-focused initiatives. Students will get the chance to work on real-world

projects like grid stability, renewable integration, and automated demand response .It is anticipated that this partnership would enhance students' hands-on learning opportunities and support creative solutions in the renewable energy domain.

- Dr. Hiram Chavan participated in 5-day faculty development program on Systems & Software Security Jointly organised by Centre for Cybersecurity, Trust, and Reliability (CyStar), IIT Madras & IITDM Kancheepuram. Sponsored by the Information Security Education and Awareness (ISEA) initiative of MeitY and IDBI Bank. This 5-day program featured expert-led sessions & hands-on training, providing valuable insights into security challenges & best practices. Conducted from February 14th to February 23rd, 2025.

- Dr. Seema Yadav contributed as reviewer for 2nd International Conference on Technologies for Energy, Agriculture, and Healthcare (ICTEAH 2025) held at K.J Somaiya Vidyavihar University, Mumbai on 5th- 6th June 2025.

- Dr. Seema Yadav contributed as reviewer for 7th International Conference on Advances in Science and Technology (ICAST 2024-25) held at K. J.Somaiya Institute of Technology, Mumbai on June 20-21, 2025.

- Dr. Seema Yadav has presented a paper entitled “SMOTESIMBoost: Analysis of similarity measures for learning from class-imbalanced data” at the Sixteenth International Conference on Computing, Communication and Networking Technologies (ICCCNT 2025) , held at IIT Indore in association with the IEEE Electronics Packaging Society and the All India Council for Technical Education (AICTE) on 6th - 11th July 2025.

- Dr. Seema Yadav has presented a paper entitled “SMOTEDISBoost: A study of the behavior of distance metrics for learning from class imbalance data” at the Sixteenth International Conference on Computing, Communication and Networking Technologies (ICCCNT 2025) , held at IIT Indore in association with the IEEE Electronics Packaging Society and the All India Council for Technical Education (AICTE) on 6th - 11th July 2025.

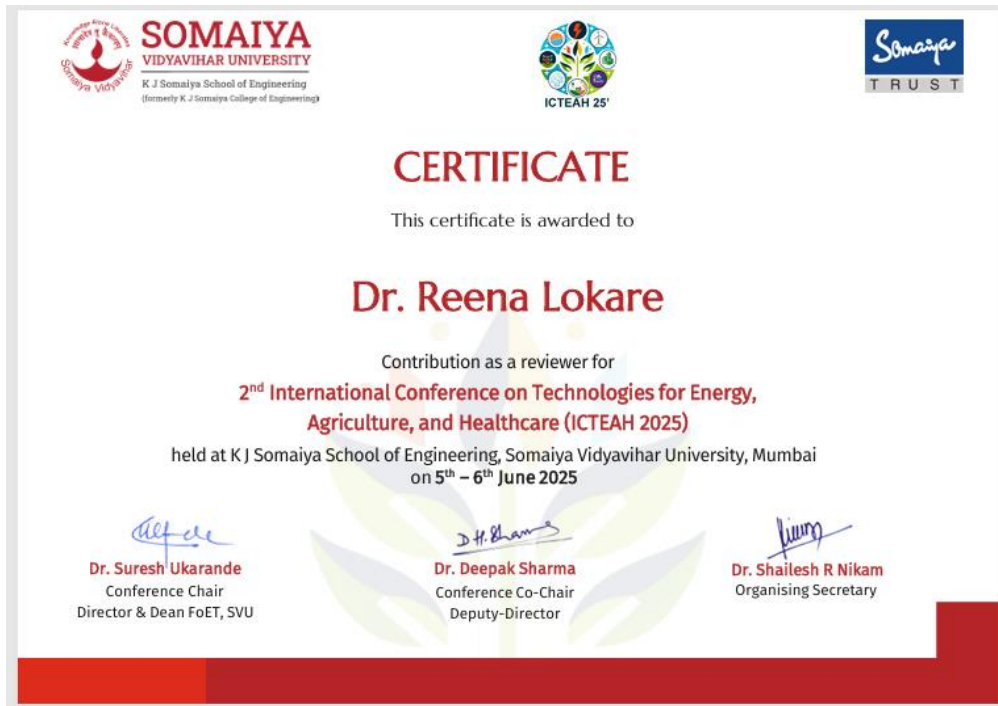

- Dr. Seema Yadav has presented a paper entitled “Image Restoration and super resolution with GANs” at the 7th International Conference on Advances in Science and Technology (ICAST 2024 - 2025) , organized by K.J.Somaiya Institute of Technology, Sion, Mumbai, on 20th -21st June, 2025, Taylor& Francis Group.

- Dr. Reena Lokare contributed as reviewer for the 7th International Conference on Advances in Science and Technology (ICAST 2024-25) held at K. J. Somaiya Institute of Technology, Mumbai on June 20-21, 2025.

- Dr. Reena Lokare contributed as reviewer for the 2nd International Conference on Technologies for Energy, Agriculture and Healthcare (ICTEAH 2025) held at K. J. Somaiya School of Engineering, Vidyavihar on June 5-6, 2025.

- Dr. Reena Lokare has published research paper on “Reinforcement Learning-Based AI-Powered Adaptive Routing Protocols for Urban VANETs” in the International Journal of Computer Networks and Applications (IJCNA), Volume 12, Issue 4, July-August 2025.
- Dr. Reena Lokare has published research paper on “Adaptive Network Routing Algorithm for Intelligent and Sustainable Smart Transportation Systems” in the International Journal of Computer Networks and Applications (IJCNA), Volume 12, Issue 4, July-August 2025.
- Dr. Mansing Rathod has published research paper on “Transparency in Vehicle CO₂ Emission Forecast: Unraveling Predictions with Expainable AI” 7th International Conference on Advances in Science and Technology(ICAST-24-25), organized by K.J.Somaiya Institute of Technology, Sion, Mumbai, on 20-21 June, 2025, **Taylor& Francis Group**.

- Dr. Mansing Rathod has published research paper on “**AI Based Paper Evaluation System for Enhanced Student Assessment**”, 7th International Conference on Advances in Science and Technology(ICAST-24-25), organized by K.J.Somaiya Institute of Technology, Sion, Mumbai, on 20-21 June, 2025, Taylor& Francis Group.

- .Dr. Mansing Rathod has published research paper on“**AI-Driven ADHD Detection: A Machine Learning Approach For Early Diagnosis**”, 7th International Conference on Advances in Science and Technology(ICAST-24-25), organized by K.J.Somaiya Institute of Technology, Sion, Mumbai, on 20-21 June, 2025, Taylor& Francis Group.

- Dr. Mansing Rathod has published research paper on “**Review on Comprehensive Analysis of Fundamental Parameters Regulating Malware Detection**

Performance”, 10th International Conference on ICT for Sustainable Development, 17 - 19 July, 2025, paper will be published in the Springer proceedings LNNS, Goa state.

- Dr. Mansing Rathod has published research paper on **“Detecting Steel Manufacturing using Machine Learning Models”** International Conference on Emerging Technologies for Sustainable Development (ICETS 2025), K.J.Somaiya Institute of Technology, Mumbai, June 26-27, 2025.

- **Dr. Mansing Rathod** has published research paper on **“Retail Insight Generator Using Retrieval-Augmented Generation”**, International Conference on Emerging Technologies for Sustainable Development (ICETS 2025), K.J.Somaiya Institute of Technology, Mumbai, June 26-27, 2025.

- Dr. Mansing Rathod has been appointed as a session chair in International Conference on Emerging Technologies for Sustainable Development (ICETS 2025), K.J.Somaiya Institute of Technology, Mumbai, June 26-27, 2025.
- Dr. Mansing Rathod has been appointed as a session chair in 7th International Conference on Advances in Science and Technology (ICAST-2025), K. J. Somaiya Institute of Technology, Mumbai, India, June 20, 2025.
- Dr. Mansing Rathod has received an appreciation certificate for the effort he has put in over the past several years since joining the institute, March 19, 2025, K. J. Somaiya Institute of Technology, Mumbai, India.

- Dr. Harsh N Bhore has published a research paper on “Enhancing Online Shopping Experience: A Virtual Trial Room using Computer Vision and AI” International Conference on Emerging Technologies for Sustainable Development (ICETS 2025), K.J.Somaiya Institute of Technology, Mumbai, June 26-27, 2025.

Subject: Invitation to Join the Technical Program Committee for ICLI 2025

Dear Asst. Prof. Dr. Harsh Namdev Bhor,

On behalf of Payap University, I am honored to invite you to join the Technical Program Committee for the **1st International Conference on Lifespan Innovation (ICLI 2025)**, to be held online from **June 12-13, 2025**. ICLI 2025 will focus on the theme “**Aging and Longevity: An Interdisciplinary Approach to Enhancing Quality of Life,**” bringing together experts from multiple fields to address the complex challenges related to aging populations.

As a highly respected academic in your field, your expertise would be invaluable in shaping the technical program of this groundbreaking conference. The event will feature key tracks including Health and Medicine, Society and Humanities, Business and Economics, Technology, and Psychology. Your contribution will be necessary in ensuring the quality and relevance of the presented research, and in fostering interdisciplinary dialogue.

We are also pleased to share that all accepted papers will be indexed in **SCOPUS**. This promises to provide a high level of visibility for all contributions.

We sincerely hope you will accept this invitation to be part of the Technical Program Committee for ICLI 2025. Please feel free to contact me should you have any questions or need additional information.

Thank you for considering our invitation, and I look forward to your positive response.

Best regards,
